FEDERAL TOTAL	\$79,794	\$9,633	-88%

LIHTC PRODUCTION AND PRESERVATION

Low-Income Housing Tax Credit production and preservation in Stanislaus County **decreased by 46%** between 2019 and 2020.

STATEWIDE POLICY RECOMMENDATIONS

In addition to critical COVID-19 efforts, the Partnership calls on State leaders to take the following actions to provide relief to low-income families struggling with unaffordable and unstable housing:

- Initiate a \$10 billion statewide housing bond to fund five more years of affordable housing for low-income families and people experiencing homelessness.
- Permanently fund local governments to implement flexible homelessness solutions by recapturing \$2.4 billion per year lost through corporate tax loopholes and reductions.
- Make permanent the \$500 million expansion of the state Low-Income Housing Tax Credit to increase affordable housing production through public/private partnerships.
- Empower voters to support building affordable homes locally by lowering the supermajority approval threshold required for housing ballot measures to 55%.
- Fund the conversion of commercial properties and market-rate rental properties occupied by low-income households into affordable homes.
- Allow new apartment and condominium developments to be built in commercial and mixed-use zones when at least 20% of the homes are affordable to low-income households.
- Speed the construction of affordable homes and reduce uncertainty and costs by streamlining the award of state funding for affordable housing developments from four different state agencies into one decision-making process.

DATA SOURCES & NOTES

• FUNDING FOR HOUSING

California Housing Partnership analysis of HCD Program Awards and Annual Reports, HUD CPD Appropriations Budget Reports, CalHFA Mixed Income Program, BCHS Program Reports, California Strategic Growth Council Affordable Housing Sustainable Communities Program, and federal and state Low-Income Housing Tax Credits.

• AFFORDABLE HOMES SHORTFALL

California Housing Partnership analysis of 2019 1-year American Community Survey (ACS) Public Use Microdata Sample (PUMS) data with HUD income levels. Methodology was adapted from NLIHC gap methodology.

• COST BURDENED RENTER HOUSEHOLDS

California Housing Partnership analysis of 2019 1-year ACS PUMS data with HUD income levels. Methodology was adapted from NLIHC gap methodology.

* Cost burdened households spend 30% or more of their income towards housing costs. Severely cost burdened households spend more than 50%.

• WHO CAN AFFORD TO RENT

CoStar Group average asking rent for two bedroom as of January 2021. Bureau of Labor Statistics Average Annual Wage Data for California Occupations, 2020.

• LIHTC PRODUCTION AND PRESERVATION

California Housing Partnership's Preservation Database, January 2021. Please note that this data does not include manager units or market rate units created through the LIHTC program.
